1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

The plaintiff, Richard Lament Jr; Austin is
an inmate at the Washington county Jail. He
is serving a sentence for contempt of court
for willful failure to pay child support. Todd
K. Martens made and enforced this order
based on prior court proceedings of Jeffrey
Jaeger and Dolores Bamrad. Prior proceedings
were initiated by the Washington county
Child Support agency's unproven claim that
Mr. Austin owed a debt to the Child support
agency. Mr. Austin's incarceration began

on Sept 26th, 2019 because of the Fraudulent claim made by that agency. Mr Austin's property has also had liens placed upon them and other property confiscated without any proof of claim. The child support agency has entered into co operative agreements with the Circuit Court to Facilitate this Fraud and deny Mr Austin's Right to Due Process and trespass against his civil rights.

Mr Austin seeks compensation for his damages, prosecution for crimes committed against him, and punitive damages plus costs.

All defendants had knowledge of this Fraud or knew of the co-operative agreements between the Child Support Agency and the courts and benefited from this theft/Fraud.
